Foreword

The winds blow, the hands of the clock chase each other, and another year is gone. All that remains is the memory of the past—of those special experiences that made this year unique. There was so much to do; there is so much to remember. Since old memories fade, we present to you this book in hopes that it will preserve for you the memorable events of this year.

Catches Teachers Being Themselves

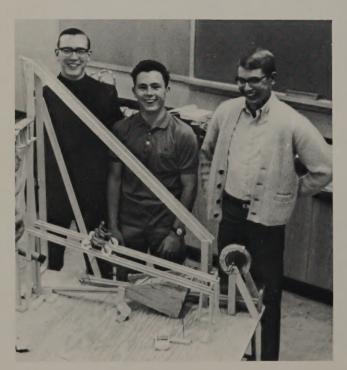

We Are . . .

. . . Serious With The Matter At Hand.

. . . Ingenious.

. . . And Always Good-Natured.

Well, Almost Always.

As Is Fitting, the Seniors Are the Most Dignified of All.

But by the
End of the Year,
We've Just About
Had It.

Business Manager

MR. ORVILLE LATHAM

The Business Manager for the Spearman Independent School District is Mr. Orville Latham. Mr. Latham, who also serves as tax assessor and collector for the schools, has efficiently carried out these tasks for the past eleven years.

Efficiency is the byword of his secretaries, Mrs. Altha Townsend and Mrs. June Day.

Administration Guides

DR. B. E. REEVES

For the third year, Dr. B. E. Reeves has served as Superintendent of the Spearman Schools. His aim is to make available to the students of S H S the highest quality of education possible. His program of evaluation of our school system is a great step toward the achievement of his goal and will help to bring about even greater advancements of learning at S H S.

Dr. Reeves' secretary, Mrs. Faye Palmer, helps the office to run smoothly and efficiently.

Student Life at SHS

MR. KENNETH McKAY

The increased growth of S H S has expanded the already numerous tasks which rest on the shoulders of our Principal, Mr. Kenneth McKay. However, he takes it all in stride and carries out his tasks with a fitting blend of authority and understanding.

Mrs. Barbara Wilson assists Mr. McKay with the many jobs which must be done in the office.

Mr. McKay sings for his freedom at the Freshmen's Halloween booth.
